Objective

- I am interested in adding to my experience in the industry. I can do anything, given time to learn the workflow. I am interested in technology and the practical applications of technology in industry. In addition to that, I'd like to be a good son and help my parents more financially.

Experience

Speedy Café Employee | Speedway (May 2021 – August 2021)

- My responsibility was to prepare food for customers who ordered at Speedway in a fast manner. When I wasn't preparing food for customers, I had to ensure that the kitchen was clean, refrigerator temperatures were in check, food was fresh and prepped, and to also stock the gas station when needed.

Front End Employee | Walmart (May 2023 – August 2023)

- Served as a cashier for the Walmart on Old Fort Parkway. Constantly dealt with customers amicably and checked them out in a swift manner. Also followed directions of the frontend team leader thoroughly without question.

Cashier/Stocker | Dollar Tree (May 2024 – August 2024)

- Performed duties as a backup cashier for Dollar Tree as well as a stocker. Gained experience stocking and operating a store with little employees.
